

SPANNER FILMS AND GRANADILLA FILMS PROUDLY PRESENT
IN CONJUNCTION WITH BLACK CRYSTAL
A SCREENING OF THE CLIMATE CHANGE BLOCKBUSTER FILM

THE AGE OF STUPID

The Age of Stupid stars Oscar-nominated **Pete Postlethwaite** as a man living alone in the devastated world of 2055, looking at old footage from 2008 and asking: **Why didn't we stop climate change when we still had a chance?**

Directed by **Franny Armstrong**

On September 22nd, on the eve of the UN General Assembly's climate session, **The Age of Stupid** will be launched internationally at the biggest simultaneous film event the world has ever seen.
